

## Points for Prayer – October 2019

### For Thanksgiving

- Our landlords have been incredibly generous and accommodating to our needs with our new office arrangement.
- Feedback from recipients on our latest mailing has been very positive indeed.
- The Salima, Malawi library top-up has necessitated book cases to accommodate the collections. As this has coincided with our own downsizing, we have been able to send a number of our bookcases to Malawi.

### For Prayer

- Money for freight is urgently needed – we have the books but funds to send them to the nations are limited.
- Health, strength and protection for the staff team.
- Changes in our Board of Trustees. We really need additional trustees with the desired energy and vision to step forward.
